MEMORANDUM FOR: Director of Logistics

25X1A

FROM: [REDACTED]  
Director of Communications

SUBJECT: Request for Delegation of Authority to  
Act as Contracting Officer for the  
Installation of a Government Furnished  
TCI-524-6-N Transmitting Antenna at  
[REDACTED]

25X1A

1. Approval is requested for a Delegation of  
Authority for the Director, [REDACTED]  
to act as Contracting Officer in the execution of a  
construction contract for the Installation of a  
Government Furnished TCI-524-6-N Transmitting Antenna  
[REDACTED]

2. This project was originally planned with  
installation desired prior to 1 October 1979. However,  
we were advised that erection funds would not be  
available until FY-80. With the delay of FY-80 funds  
until recently and the onset of bad weather, the Office  
of Communications would like installation of this antenna  
as soon as possible. Based on the evidence contained in  
the attached determination and findings, contract documents  
are being prepared in accordance with [REDACTED]  
Procurement Regulation [REDACTED] for a negotiated firm fixed-  
price construction contract. The current working estimate  
for this project is \$20,000.00. It is certified that  
approved funds are available in the amount of \$22,000.00  
for the required work under FAN 0179-4910. (S)
